Objective

Find my first experience in the job market as a frontend developer.

Formação

- ABC Federal University, Santo André, São Paulo
Bachelor's degree in Computer Science
Beginning: September 2022 – Possible completion: September 2026

Experience

So far, I haven't had any work experience, however, I developed projects in order to get closer to how things are really done and to practice everything I've learned.

All those projects are available on my [GITHUB](#) and in my [portfolio](#).
